

**DSC's fee structure changes for 2007-2008. This is in response to and the result of:**

- **Requests from parents to use uniforms for multiple years beginning 2007**
- **A continued need to attract high level coaches and maintain quality instruction**
- **The necessity to secure additional playing fields based on our continued incredible growth**
- **Continuation of no mandatory volunteer fee**
- **Recognition of differences in costs between a half season and a full season**
